The thrust is to make students open to the practical exposure thorough various activities. The Commerce Department creates a stimulating environment for the academic growth of its students. Entrepreneurship Awareness, Event Management, Expert Talks, Paper & Computer Presentations, Field Visit are organized on regular basis to enhance the skills of the students. The department offers B.Com in English & Marathi Medium, M.com in English Medium. Department has a recognized Research center, a computer laboratory & digital classroom.

About FLAIR

The intercollegiate Seminar 'FLAIR' is organized every year by Department of Commerce. It is one of the best educational activities of Commerce Department wherein large number of students from various colleges of our region participate. The objective of FLAIR is to provide platform to students to express their views and thoughts on current trends in commerce sector. The first Flair Competition was organized in the year 2016 with a theme of Digital India. The Competition was organized with the intention to encourage the students for participating in seminar on the sub themes like Youth Empowerment through Digital India, Recent Trends in E-commerce, Environment Conservation through Technology.

About Seminar

Youth is the most important and dynamic segment of the population in any country. It is believed that developing countries with larger young population could see tremendous growth, provided they invest in young people's education, health and protect and guarantee their rights. Youth have the power to change the nation. Young mind is fresher and more innovative which helps in the progress of the country. Young people, who represent a majority of the population in India, are today visibly contributing as political-activists, innovators, entrepreneurs and peace-builders. At the same time, youth face disproportionate social, economic and political barriers which prevents them from unleashing their full potential. To utilize young people's potential as the agents of change, requires involving and empowering them in development, policies and supporting their participation at all levels. Keeping this in mind, this year we have decided to organize "FLAIR 2020" on the issues related with youth in India. We aim to provide platform to youngsters to express their views on challenges, needs and opportunities of young India, to discuss the roles of the different players working for youth and to unwrap their ideas, skills, creativity and Innovation to tackle the issues for shining future of young India.

Sub Themes:

Economy

- Youth in India: Challenges & Opportunities in Indian Economy

Report

Inauguration of Mathematical Society & Workshop on Recent Trends in Mathematics

As an annual practice, Mathematical Society for the session 2019-2020 was established by the Department of Mathematics in the college on 1st October 2019. The Mathematical Society was inaugurated by Dr. T. M. Karade, an eminent mathematician and former vice chancellor of Indiana University, Raipur. This function was presided by the principal of the college Dr. Y. B. Gandole. On this occasion, the members of the Board of Studies of Mathematics were felicitated at the hands of Dr. T. M. Karade and Dr. Y. B. Gandole. Also the meritorious students of the subject in the session 2018-2019 in each class were felicitated by giving them prizes.

During second session, a workshop on Recent Trends in Mathematics was organized. During this workshop Dr. T. M. Karade explained about relativity. Then Dr. N. A. Nimkar from Dr. R.G. Rathod College Murtizapur explained different aspects of Topology. During evening session, Dr. Wadbude from Mahatma Fule Arts, Commerce and Science College, Warud explained various problems in Modern Algebra. During the workshop, Prof. Dr. K.S. Adhav, Former Professor and Head, Department of Mathematics, SGBAU, Amravati, Principal Dr. V. B. Raut, Mungsaji Maharaj Mahavidyalaya, Darvha and Dr. V.G. Mete, Head, Department of Mathematics, RDIK & KD college, Badnera had discussions with the students and guided them. This programme was successful due to efforts taken by Dr. S. N. Bayaskar, HOD, Mathematics, Dr. A. N. Rangari and all the teachers in the Department of Mathematics.
