# Check Dam Construction at Wadhona

## Report

With aim to elevate ground water level of the adopted village (Wadhona), NSS unit of the Adarsha Science, J. B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon Rly District Amravati has constructed Check Dam (a type of – “Pazar Talav”) near Wadhona township. Initially, permission for the construction of the Dam has been brought from the local Gram panchayat office. Special help has been provided by the renowned villagers like Mr. Muralidhar Nare, Prashant Hude (Sarpanch) and Police Patil Mr. Ramesh Titare. When Gram Panchayat Authority permitted for the construction of the Dam, Prior arrangement has been made for Dam construction. On Monday, 3<sup>rd</sup> February 2020, at 9.30 am, all the students gathered at the Dam construction point and raw material like stones, sand and other necessary things. Students have made all the arrangement and brought at one place and sand followed by medium size stones filled in the specialized Cement bags and all these bags placed at one location and wall of this bags has been constructed to trap water temporarily at one place. Due to this activity moderate amount of water has been trapped at one place and rest of the water will be flow out of the constructed wall. This constructed wall has been kept porous intentionally in such a way that excess amount of water will be sailed away. This activity will help to increase ground water level and farmers of the nearby area will get benefited. There were 100 volunteers along with 4 teachers has taken participation in the Dam construction and 4x20 feet wall of stone and sand filled with cement bags has been carried out. Whole dam has been built within 3.5 hours and villagers delivered thanking speech for the NSS volunteers and authority of the college. Principal of the Adarsha Mahavidyalaya, Dr. Y. B. Gandole Appreciated the activity. This activity has been conducted under the leadership of NSS Program officer Dr. Narendra Nagpure followed by special efforts done by Mr. Shrikant Patil (NSS Co. Program Officer) and Mrs. Madhuri Kopulwar (NSS Female Program Officer). NSS Volunteers and some villagers.

# Single Use Plastic Eradication Campaign

## Report

NSS unit of Adarsha Science, J. B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon Rly organized awareness program under “Single Use Plastic Eradication Campaign” on 21<sup>st</sup> November 2021. Initially all NSS Volunteers has been directed and instructed to identify all the places around their house or in their home town where single use plastic regularly dumped. Then volunteers will collect that plastic in the form of plastic rappers and polyethylene bags etc. This plastic eradication activity has been carried out in 8 nearby villages by the NSS volunteers and 55 NSS volunteers have taken active participation in the activity and get benefited.

Single-use plastics, often also referred to as disposable plastics, are commonly used for plastic packaging and include items intended to be used only once before they are thrown away or recycled. These include, among other items, grocery bags, food packaging, bottles, straws, containers, cups and cutlery. The objective of this program is to give awareness among student community about the hazards of single-use plastics and protecting marine habitats and water bodies from plastic pollution.

At last volunteers has been advised to collect plastic from their surrounding polluted places and take photographs like “BEFORE – DURING – AFTER”. At last, collect all the plastic and make their small pieces and filled them inside the drinking water bottle to make their ECO BRICKS for permanent dumping solution of the plastic in the form of construction work.

## Report on Sanitation rally to Hirapur on Sant Gadge Baba Punyatithi

On Sant Gadge Baba Jayanti Day, a cleanliness rally was organized by the college on dated 24<sup>th</sup> December 2019. A rally was held from Shivaji Chowk Dhamangaon Railway to the temple at Hirapur. At this time, all the students of NSS team participated spontaneously.

Sanitation rallies at Hirapur village are organized events that focus on raising awareness and promoting good hygiene practices among the community. These rallies aim to educate people on the importance of maintaining clean and hygienic environments to prevent the spread of diseases and improve overall health. The participants usually march through the streets or gather at a designated location to listen to speeches and participate in various activities, such as cleaning up litter or social messages of grate personality.

Overall, sanitation rallies play an important role in promoting good hygiene practices and creating awareness about the importance of maintaining clean environments. By bringing together various stakeholders, these rallies can help mobilize efforts towards improving sanitation and reducing the spread of diseases.
